Agrochemicals, Les Barges/Switzerland, September 21 to October 3, 1986

Dear Dr. Copcu,

We are sure that you have enjoyed this training course and are convinced that you have gained some theoretical and practical experiences in the field of correct and safe application of agrochemicals.

Besides this main target, the opportunity to discuss experiences with people from other countries during this course should not be overlooked.

We hope that in future we can continue our relationship, and that you will not hesitate to ask for our assistance with any application problems that may arise.

Please accept the enclosed photo as a souvenir of this course which will remind you of all the colleagues you have met in "Les Barges".

With our best regards, we remain,

Yours sincerely,
